## Safe Travel is our priority

### FACEMASKS

It is now mandatory for all passengers who travel on public transport to wear a face covering.

We will have some masks available for passengers on the bus for **£1.00 each**.

### HAND SANITISER on the BUS

Passengers will be requested to use hand sanitiser provided upon boarding the bus.

For your safety we will not be carrying the same amount of passengers on the bus as we used to, due to social distancing.

However, more buses will be available so that no one misses out on a journey.

## Keep Safe ~ 10 Step Guidance

**1. Anyone with Coronavirus symptoms will not be permitted to travel (High Temperature, new continuous cough, sore throat, loss of taste or smell)**

**2. All journeys are pre booked so we can provide contact tracing for every passenger and journey**

**3. The Driver will advise which seats can be occupied as we have reduced the seating capacity to allow social distancing.**

**4. All passengers will need to board the bus unaided and be able to fit the seat belt themselves.**

**5. Passengers must always wear a face mask on the bus (Mandatory) Upon boarding, passengers are encouraged to use the hand sanitiser gel provided and we recommend wearing of gloves whilst out and about.**

**6. Passengers must take with them all waste items such as tissues, disposable gloves and masks and not leave them on the bus.**

**7. Journey times to be no longer than 30 mins (unless agreed) to minimise transmission of the virus**

**8. The buses are fitted with extraction fans and the windows will be open to allow frequent air changes.**

**9. We actively keep cleaning the interior touch points to minimise transmission of the virus.**

**10. Passengers should follow the guidance of the government regarding hand washing, distancing, avoid touch your face, minimising the spread of the virus.**
